

Blacksburg Transit's  
newest  
line of buses  
are equipped with  
bike racks.  
The racks  
accommodate  
all bicycle types  
and sizes.  
Loading time  
is usually  
less than  
20 seconds.

Now riding  
is easier  
for everyone.

**BIKES  
&  
BUSES  
MAKE A  
GREAT  
TEAM**

Commuting just became easier! BT's newest line of buses are equipped with bike racks that make it effortless for you and your bike to travel together. Bike racks have many practical features:

#### **EASY TO USE**

You can load or unload your bike in under 20 seconds from the front of the bus.

#### **FITS ALL TYPES**

All wheel sizes and frame types fit the bike racks.

#### **BICYCLE-FRIENDLY**

The bike racks won't damage or scratch your bike.

#### **HOLDS TWO BIKES SECURELY**

The bike racks are designed for two bikes to independently be loaded and unloaded.

#### **LOADING YOUR BIKE:**

1. Prepare your bike for loading by removing water bottles, pumps and other detachable items.
2. Inform the bus driver that you will be loading your bike.
3. Lower the rack by pulling up on the handle with one hand and hold your bike with the other.
4. Lift your bike onto the rack. Place the wheels in the wheel wells. Each well is labeled, front and rear, for the location of the wheels.
5. Raise the support arm over the front tire. The arm should be placed on the tire, not the frame or the fender. Your bike is now securely latched.
6. Board the bus and enjoy the ride!

#### **UNLOADING YOUR BIKE:**

1. As you approach your stop, inform the bus driver that you will be unloading your bike. Stay in front of the bus while loading/unloading your bike. Stay away from on-coming traffic.
2. Raise the support arm off the tire. The support arm automatically folds down in a secure position.
3. Lift your bike out of the bike rack.
4. Fold up the bike rack if there are no other bikes loaded.

#### **All route buses now have bike racks.**

For safety reasons bus operators may not leave the bus to help load or unload bicycles. Blacksburg Transit is not responsible for damages incurred or caused by the bike rack. For route information, pick up our route maps and a schedule brochure on any bus or at the Blacksburg Municipal Building.
